

Can I Make My Car Drive Across the City?

1. Choose Background

New
Background

OK

3. Resize Character and Move to Start Place

Shrink

Drag the car to the bottom corner
of the screen

2. Choose Character

New
Character

OK

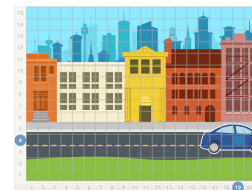

Delete the cat (press and hold)

4. Make Programs

Grid
On/Off

Use the grid to calculate how
many blocks the car should move

- How would you make the car go only halfway across the screen?
- What would happen if a wizard, a dragon, or an elephant appeared on the sidewalk?
